

# Recycling Containers

55 and 20 gallon

## 55 Gallon Recycling Container

- Excellent capacity with a vinyl liner.
- Ideal for convention centers, arenas, and large complexes.
- Attractive styling with your logo and/or the recycling logo.

— 55 gallon container with single liner —

## 55 Gallon Recycling Container

- One unit can contain all of your recycling.
- Reduces the cost of units needed.
- Set of three can be contained in the vinyl liner — which eliminates the possibility of spills on carpets and/or flooring.
- Attractive styling.

— 55 gallon container with set of three liners and lid —

## 20 Gallon Recycling Container

- Perfect for locations that require a smaller capacity and size.
- Cost effective alternative to fiberglass.
- More attractive than cardboard.
- Use the recycle logo or your own individual logo.

— 20 gallon container with single liner —
